Parking tips:

The Tau Community House sits in a residential neighborhood and is one-way. Parking is on the street and very limited. It's recommended to park in small parking lot (city park on the corner of Bertus and Park Place). The Tau House is on the left in the middle of the street. Park Place dead ends into Church Street (and the Franciscan Friary is on the left with multiple carports).

To reach your child, the Tau House phone # is 513-641-2327 ext. 155. However, in an emergency, call the Franciscans for the Poor program director, Chris Lemmon at 513-761-9040 ext. 110 (office) or her cell phone 513-382-5795. She'll know how to reach your child directly at the work site.
